The \$MART Change Program is an elective program that funds the Satilla REMC Foundation. Satilla Members choose to round up their monthly electrical bill to the next even dollar with the rounded-up change going into the Foundation. Participating individuals contribute an average of \$6.00 annually per account. This tax-deductible contribution will not exceed \$11.88 per account per year. Ask a Customer Service Representative to enroll you today. Your change will change lives forever.

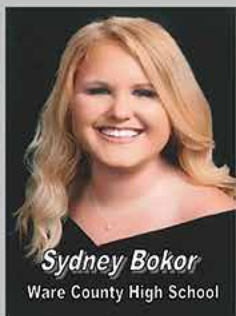

Imagine the power of positive change!
