

THE SATILLA RURAL ELECTRIC MEMBERSHIP CORPORATION

**BOARD RESOLUTION
FOR WRITTEN DETERMINATION FROM PURPA HEARING**

WHEREAS, The Satilla Rural Electric Membership Corporation held its PURPA hearing on June 29, 2023; and

WHEREAS, the Satilla Rural Electric Membership Corporation considered the two new PURPA Standards set forth in IIJA 2021: the Demand-Responses Practice Standard and the Electric Vehicle Charging Programs Standard; and

WHEREAS, the Satilla Rural Electric Membership Corporation heard evidence and expert testimony from Brent Saylor that was presented at the PURPA hearing; and,

WHEREAS, The Satilla Rural Electric Membership Corporation considered the findings included in such determination and evidence presented in the record and has made the following Written Determination with respect to the Demand-Response Practices Standard and the Electric Vehicle Charging Programs Standard.

NOW, THEREFORE, BE IT RESOLVED that The Satilla Rural Electric Membership Corporation finds in its determination of the Demand-Response Practices Standard that Satilla Rural Electric Membership Corporation, to the extent that it is able to do so as an electric distribution utility, has already adopted programs that promote demand-response practices by commercial, residential, and industrial customers to reduce electricity consumption during periods of unusually high demand; and,

BE IT RESOLVED that The Satilla Rural Electric Membership Corporation finds in its determination of the Electric Vehicle Charging Programs standard that, to the extent it is able to do so as an electric distribution utility, Satilla Rural Electric Membership Corporation has and will consider measures to promote greater electrification of the transportation sector, subject to such measures appropriately recovering the marginal costs of delivering electricity to electric vehicles and electric vehicle charging infrastructure, which includes continued involvement with the State Legislative body and the electric cooperatives in Georgia regarding these issues.; and,

BE IT FURTHER RESOLVED that this Written Determination be made available to the public.
