Satilla REMC Celebrates 86th Annual Meeting

On Tuesday, October 10, 2023, the 86th Annual Meeting of Members of Satilla REMC was held at Memorial Stadium in Waycross. The event was attended by a large portion of the membership accompanied by their families and guests. It is estimated that there were approximately 1,000 members in attendance.

President and CEO Romeo Reyes reported on the finances and overall strong condition of the cooperative. Reyes also spoke about a consistent theme over the past several years, "Challenges." Reyes noted that the recent challenges that Satilla REMC has faced are mostly products of our nation's troubled economy. Inflation, supply chain issues, labor market pressure and rising interest rates have all contributed to the increased cost of providing service to Satilla REMC members.

Reyes went on to say that although the current economic situation is less than ideal, members can rest assured that Satilla REMC will provide our members with a high level of service by staying true to our mission and maintaining our core values of making quality of service our No. 1 priority. Reyes also assured Satilla REMC members that the Board of Directors and management team are committed to serving the best interests of our members.

2023 Satilla REMC Christmas Card Winners

'Christmas Is a Time for Kindness'

Continuing the tradition of the annual Christmas Card Contest, Satilla REMC asked students in kindergarten through fifth grade throughout Satilla REMC's service area to share with us their imaginative artwork on the theme "Christmas Is a Time for Kindness."

Satilla REMC received approximately 2,000 entries from elementary and primary schools within its service area. We would like to congratulate Mackenzie Lynn Garcia as this year's overall winner. She is the daughter of Amanda Garcia and Nicanor Soto, and attends Bacon County Elementary

School. Mackenzie will receive a \$25 gift certificate and class party for her effort and creativity. Her teacher is Shelby Altman.

Satilla REMC directors and employees extend their appreciation to area teachers who aided in the coordination of this event. Although each student is truly a winner for participating, a grade-level winner was chosen among the submissions and will receive a Walmart Inc. gift certificate.

The cards on these pages are the artwork of the overall winner and the grade-level winners:
